

Miles Jeffrey Roberts Memorial Scholarship Application

This scholarship is offered in the memory of Miles Jeffrey Roberts who died by suicide on May 29, 2017. Miles leaves behind a legacy of putting others' needs in before his own. He was a kind and loving friend that was always available to listen or provide a comforting hug. Suicide remains an epidemic and rates among youth continue to rise in our country, in our State and in our County. In 2017, the Center for Disease Control (CDC) reported 6,252 deaths by suicide in the United States for people ages 15 to 24, making it the second leading cause of death for this age group. Miles was one of these deaths. Miles's desire to help others will be memorialized through the recipients of this scholarship. This scholarship is offered by the Miles Jeffrey Roberts Foundation, a 501(c)3 non-profit organization.

Miles Jeffrey Roberts Foundation

Our mission is to support positive youth mental health and suicide prevention, focusing on the Washtenaw County community. We strive to support youth well-being through evidence-based programs and policies. We are especially interested in programs that help build key skills, relationships, and connections in the community to develop and promote social and emotional health. We believe partnerships with teens, families, teachers, coaches, healthcare providers, spiritual leaders, and community organizations can all contribute to building positive social and emotional well-being in today's youth.
